

**I LOVE GRUB BECAUSE
I AM FREE TO BE ME**

“GRuB has made a difference in my life by allowing me to not just be heard, but listened to...I have learned skills that have helped me through tough situations without resorting to anger and violence...One of our challenges to each other at GRuB is ‘try it on’. This means that before you think negatively about an idea, give it a try. This has helped me at home and at school.” *Alex, 16*

GRuB is just one of the many great programs that you will invest in when you give to United Way’s Community Care Fund. Every day, these programs are changing lives for people like Alex.

THESE ARE YOUR SUCCESS STORIES.
